This Grüner Veltliner comes from the famed Rava Blackjack Vineyard in Monterey, which receives ample sunshine and cooling influences from its proximity to the Pacific Ocean. This block of Grüner Veltliner was planted under the direction of winemaker Randall Graham.

## *winemaking insight*

This wine was made in the same method, and with the same varietals, as traditional Champagne from France. Grüner Veltliner is the signature varietal of the finest sparkling wines made in and around Vienna and Budapest; our winemaker grew up in a winemaking family that hails from the latter.

## *tasting note*

Aromas of asian pear, lemon pith, and a hint of skyr complement a thick mousée of pin-point tiny bubbles, and flavors of granny smith apple and shortbread.
