

dog day chardonnay 2021

Triska Vineyard,
San Francisco Bay

Our Vision

We share a vision of a world where every animal is loved and every person knows the love of an animal. Proceeds from every bottle sold are donated local animal shelters and animal welfare organizations in every community this wine is sold.

Tasting Note

The wine is rather aromatic, emphasizing ripe citrus, that tantalizing butter quality that gets Chardonnay lovers going, and reminds you of a night in the front row, eating popcorn at a cheesy summer blockbuster. Fresh cedar, vanilla, and soft baking spice fill the mid-palate, ultimately leaving you with the subtle taste of lemon custard on the finish.

Give Back

Since 2015 in the San Francisco Bay Area, every bottle of Dog Day Cabernet & Chardonnay has raised \$2 per bottle sold for Valley Humane, our local non-kill shelter.
