

# ALMOST FAMOUS

*méthode champenoise*

**VINTAGE 2021**  
MONTEREY, CALIFORNIA

*ooh-la-la!*

This wine was made in the same method as traditional Champagne from France.

The grapes were grown in a cool vineyard site near the sea.

*tasting note*

Aromas of lemon pith and orange blossom complement the palate's energetic mousse of pin-point tiny bubbles, ending with a hint of celery stalk, lime and soda bread.
