ALBARIÑO 2023

TRISKA VINEYARD,
SAN FRANCISCO BAY

EXPAND YOUR HORIZONS

Wine Without Borders strives to grow the world's most interesting wines, despite these varietals not being household names.

Triska Vineyard is about 30 minutes from the Pacific shoreline, and bathed in fog and coastal winds- extremely similar conditions to its home region of Galicia, Spain.

TASTING NOTE

Delightful aromas of green Anjou pear, pomelo, and a hint of thyme evolve into a citrusy palate with a soft, rich mouthfeel. A hint of salinity on the finish reminds sippers that no wine better captures the essence of the coast than albariño.
